

VHS to digital file or DVD *from* **£15**

The duration of a VHS order ranges from a few minutes to several hours. So if it's under 2hrs we charge £15 or more than 2hrs £20. We are happy to run through your tapes first to give you an itemised quote.

Cine film set up **£15**

All cine films we receive for capture will have any failed splices replaced. Then be lightly cleaned before it's loaded onto one of our three film scanners. The set up fee is a one off charge that covers the entire order, regardless of size.

Slide copy service **45p**

This is our increasingly popular budget service which copies 35mm slides mounted in plastic or cardboard mounts to JPG files. Ideal for viewing on iPad or PC. For higher resolutions please see our slide and film scanning service.

Large format neg / trans scan **£1.50**

Our Large format scanning service provides fantastic results from negatives and transparencies. Film sizes include 110,126,127,120,620 and both 5x4, 10x8 sheet film.

Audio to digital file or DVD *from* **£15**

We transfer a wide range of audio tapes to CD .MP3 and .WAV file including Reel to Reel, Audio Cassette and Dictaphone tapes. Please visit our web site for more information.

DVD and CD copies *from* **£1.25**

We use UReach disc copiers to duplicate DVD's and CD's at high speed. This allows us to offer copies at an affordable price. Ask us about our custom disc printing.

General printing *from* **15p**

If you've got printer issues or would prefer something printed on a 'Toner' printer we've got it covered. Just send us the file and we'll get it sorted. We can laminate up to A3 too.

Camcorder tapes to digital file or DVD **£8.50**

There are many different types of Camcorder tapes out there. So we've simplified the price structure for these formats to one very low price.

Cine film to digital file or DVD *from* **£8.50**

Our cine film is captured by Moviestuff or Focuskye film scanners. We then colour, density correct and remove any blank sections which might spoil your enjoyment. We capture film with magnetic and optical soundtracks too.

35mm slide / neg scanning service **80p**

We scan all 35mm slide and negatives with our Epson V850. Producing fantastic results at high resolutions. These are saved in a format to suit your needs. This service is ideal for future printing or archiving.

Print scans *originals up to A4* **£1.00**

Our print scans are carried out using our Epson V850 scanner. These are high resolution captures to a file format of your choice.

LP / 45 / 78 to CD or digital file *from* **£10**

We transfer a wide range of formats to CD .MP3 and .WAV files including Vinyl singles, LP's and Shellac 78's. Please visit our web site for more information.

Pack shot photography *from* **£20**

If you have something to sell or need images for your web site we've got it covered. Give us a ring or send us an email for a competitive quote.

If you would like more information about any of the services we offer, please get in touch. We look forward to hearing from you.
